

MY WHOLE EARTH ACADEMY

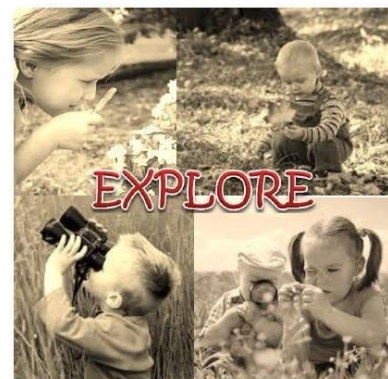

2019/2020 School Year ~ Prep School

At My Pace™ Parent Participation Prep School Level 1

(1.5 hours, Monday - Friday, 10:45 am – 12:15pm, for children 1½ - 2½ years old)

Our Prep School Level 1 Program is designed to introduce your young child to classroom expectations by having them 'attend school' at a slower pace with you or your designated care giver as their mentor and guide.

Your Teachers will coach you to develop your modelling techniques in order to engage your child's innate 'learning-by-mimicry' to develop appropriate social behaviours and skills, all through engaging in typical elements of the classroom such as circle time, art activities, science experiments, snack time, & music time.

The Goal: To successfully begin the transfer of trust and authority from parent to teacher, gradually widening your child's sphere of trust to include those people that are trusted and respected by you.

At My Pace™ Independence Building Prep School Level 2

(2 hours, Monday - Friday, 8:30 am – 10:30 am, for children 2½ - 3 years old)

At 2½ years old, your child may be eligible for our Independence Building Program, which offers Gradual Separation and leads to Independent Attendance in our Preschool. Parents are again coached by the Teachers, this time to develop techniques for gradually stepping away from their child and supporting their child's independence.

When your child is successfully attending Prep 2 'on their own' and demonstrating an ability to follow teacher instructions, you may apply for an additional 'Top-Up' hour. This hour is spent in the Preschool room, developing the social and emotional skills required for Preschool attendance. Please ask your Teacher for a Student Evaluation of your child to accompany your application for 'Top-Up'.

The Goal: To support your child's emerging independence and prepare them successfully for Preschool attendance by completing the transfer of your child's sense of trust and authority to include their teachers.

At My Pace™ Multi-Disciplinary English Preschool

(3 hours, Monday - Friday, 8:30am - 11:30am, for children 3 - 4 years old)

Our specialized Multi-Disciplinary Programs offer a rich curriculum that incorporates the educational philosophies of Maria Montessori, Reggio Emilia, and Waldorf Education along with life skill and traditional academic lessons, all in bright and engaging classrooms. Your child uses their natural learning processes to complete daily activities with gentle guidance from teachers.

Teachers build on the basic skills acquired in our Prep School programs by adding elements of higher order inquiry and experimentation. They strive to broaden your child's English vocabulary base, increase your child's sense of mindfulness, and further their knowledge and understanding of basic scientific and mathematical concepts using Nature as a model.

Our unique Curriculum Planning Matrix ensures that all types of intelligences and interests are given an opportunity to learn and to shine. Every week we use our **STREAMING** approach to ensure that **Science, Technology, Reading and Writing, Engineering, Art, Math and Music, Individual Tray Work, Nutritional Studies, and Group Projects** are covered in the classroom. Monthly Themes draw from the fields of Cultural Anthropology, Natural Sciences, and ECE Philosophy to support the early development of your child into a Global Citizen possessing a compassionate world view complemented by a scientific mindset.

The Goal: To inspire your child to be curious, empathetic, mindful, and confident while out in the world and at school.

Mandarin: Students will benefit from additional language elements while practicing their familiar classroom routines in a new language. Taught by a Mandarin speaking teacher, your child will develop an understanding of Asian culture while learning to speak this beautiful language. Suitable for children with little to no experience speaking Mandarin.

The Goal: To engage your child's imagination and curiosity while learning and practicing a new language.
