

My Whole Earth Academy

Theatrical Summer Camps for 5-8 year olds

THEATRICAL MAKE UP FOR KIDS!

Join Miss Angelica and Miss Jen for some Make Believe Fun while Learning!

This new 5-day program is designed by Miss Angelica, a professional makeup artist in the Film Industry. Your child will learn the basics of good skin care and make up application, along with 3 days of special face painting instructions, and a fun finale on Friday! Your fees also include their own Makeup and Facepainting Kits to take home!

Using Storytelling as the subject of inquiry, students will develop a character for themselves and then co-write a short tale to act out on the final day. They will be learning story composition while having fun putting on their makeup and getting dressed for the occasion. Pairs perfectly with Miss Zenaida's Theatre Camp!

DRAMA AND THEATRE SKILLS

Join Miss Zenaida and Miss Jen for Drama and Theatre Class!

This new 5-day program is designed by Miss Zenaida, a professional performer and musician, to encourage students who love all things Dramatic to be their most authentic selves! Perfect for children who love singing, dancing, acting, and pretending! Teaches public speaking and self confidence, too!

This fun class is a great compliment to the afternoon JK or Theatre Make Up class. Miss Zenaida will be teaching the children a wide range of professional acting and performing skills such as voice projection, presence, confidence when acting, how to 'get into character' and how to move our bodies to express emotions. We will make some basic costume pieces with your child, for them to take home, and personal dress up clothes are also encouraged!
